

# Get a Laravel Forge API Key & Register

## How to Get Started

1. Sign up for a [Laravel Forge account](#)
2. [Generate your Forge API key in your Forge dashboard](#)
3. Use your API key to [register with Transformable.app](#)
4. [Add your Server Providers and their credentials to Forge](#). DigitalOcean is the simplest cloud provider to add on Forge.
5. Deploy servers and apps quickly!

## Transformable.app Video Introduction

“ Watch this screencast introducing transformable.app by showing a server deployment along with some app installs.
